

## PSA Topic: I Feel Safe When...

In this PSA, let's talk about being inclusive and creating safe spaces for everyone.

Here are some questions to help you get started:

- **What makes you feel safe when you are around other people?**
- **How can you tell when your social environment is safe and inclusive?**
- **How can we create an environment where people can express themselves and know they will be respected even if they are different from someone else?**
